1. Yea: The Banners are flying again in Colyton!

Summer is coming: the historic banners are flying again in Colyton and a new 'normality' is surely moving closer - when we can socialize again and share in socially distanced events. Thanks to everyone involved in putting them up.

2. History Society Committee Meeting

The Society's Management Committee is planning to meet in July to discuss whether and when it would be appropriate to open the Heritage Centre this year. This is obviously subject to government advice and we will keep you posted.

3. Master Wheelwrights on tv

Mike and Greg Rowland Master Wheelwrights feature in the **Channel 4 'Devon and Cornwall'** series on, **Monday, 22 June at 8.00 pm** as they build a gun carriage to sit aboard HMS Warrior. <https://www.radiotimes.com/tv-programme/e/md8nfm/devon-and-cornwall--series-2-> and www.wheelwright.org.uk/
